PROFESSIONAL PROFILE

Physics engineer with a Master of Science in Biomedical Engineering. **Currently** coursing a Master of Science in Data Science and Engineering. 1-year experience investigating digital biomedical signals. I consider myself a curious person willing and able to **learn fast** and **constantly** improve. I can **adapt** to different scenarios providing **perspectives** from the mathematical, physics, and engineering fields.

EDUCATION

MSC DATA SCIENCE AND ENGINEERING
CURRENTLY

WEBPAGES CREATION, PROGRAMMING,
AND DESIGN 2020

E-LEARNING TRAINING 2020

MSC BIOMEDICAL ENGINEERING 2018 - 2020

BSC PYSHICS ENGINEERING 2014 - 2018

LANGUAGES

SPANISH

CATALAN

ENGLISH

GERMAN

EXPERIENCE

SCHOLAR REASEARCHER - UPC

SEPT. 2018 - JAN. 2020

- Adquisition, filtering and visualization of digital biomedical signals.
- Utilization of Matlab and Python.

STUDENT SUPPORT - UPC

MAR. 2018

- To inform college students who are interested in the degree about the features of it.

CUSTOMER SUPPORT - DECATHLON

JUNE 2017 - SEPT. 2017

- To attend and support the customer.
- To help the teammates of other departments.
